

PTE - Health Insurance

Generali STUDIUM accident and health insurance with cost reimbursement:

You, as insured shall have health insurance cover on the territory of Hungary pursuant to the insurance contract with Generali Insurance Company. This insurance covers the expenses of medical treatments and interventions at the designated institution and also covers medicines and therapeutical aids, and - in case of medical necessity - the costs of transport of the patient to the designated institution.

Exclusions: dental cost, psychological treatment and psychotherapy, pregnancy and maternity related costs, toxicological treatment due to drug or alcohol abuse

Essential information about your insurance:

The cover limit: up to HUF 2,000,000, for any insurance period.

Only 50% of the costs of medicines and therapeutical aids will be reimbursed. When buying medicine it is necessary to have the invoice issued to the name and address of the insured person. (Ask for a so-called "ÁFÁS SZÁMLA" in the Pharmacy)
